

Reach Ahead Request

Under certain conditions, elementary students may "reach ahead" to take secondary school courses. The principal of a student's elementary school and/or the principal of a secondary school may decide, with parental consent, that it is appropriate for the student to enroll in one or more secondary courses. Upon entering the grade 9 level, the principal of the secondary school assumes responsibility for recording the student's achievement and for granting and recording credits.

In order to be formally considered for a reach ahead request, the following documents are required:

- Birth certificate or any age-related document (i.e. passport, driver's license)
- Most recent copy of a report card

Please send supporting documentation with this form; either by email to admin@ontariovirtualschool.ca or by standard mail to **4789 Yonge Street Unit 705, Toronto, ON M2N 0G3**. Please note: this request will not be reviewed until all documents are received.
